

PRODUCT SPECIFICATIONS | REFLEX HOME

Applications

ReFlex Home offers a reliable, slip-resistant surface suitable for a wide range of household applications. It is an excellent choice for DIY workshops, garages, garden sheds, as well as terraces and balconies.

Available colours

Key Features

slip-resistant surface

noise reduction

recycled

3 year warranty

General information

Raw material	Surface hardness	Reaction to fire classification
SBR granulate + PU binder	40-60 Shore A	Efi

Cleaning: The surface can be cleaned with mild detergent and water using a soft cloth or sponge. Abrasive cleaners, solvents, and strong acids or alkalis should be avoided.

Chemical resistance: The rubber tile shows good resistance to weak acids, alkalis, and mineral oils. Strong acids or alkalis, as well as prolonged oil exposure, may degrade its properties. Please test the material in the intended environment before chemical application.

100% recycled: The rubber granules are sourced entirely from recycled tires.

Item number	Description	Dimensions*	Thickness*	Weight
RFT06201006	ReFlex Home Training treadmill mat	100x200 cm	0,6 cm	12 kg
